APPLICATION QUESTIONS:

- ◆ What sort of interests or agendas of our own, might we be tempted to put above those of others/of Christ?
- ◆ How do you tend to receive a) instruction/correction from God's word? & b) help applying it from those He has given to you in the Lord?
- ◆ How can we rejoice together? How can we bring each other joy (scan though Philippians for Paul's joy in them and desire to bring joy to them)? How would such joy help us agree in the Lord?
- ◆ Do we do church like, like Jesus might return this week? He sees the church right now, and is still near in His return
How should we respond to Philippians this week then?
