APPLICATION QUESTIONS:

- How does it feel to sing about God bringing down the proud even as we celebrate that He lifts the humble?
- What does it look like for us to encourage the proud to stop speaking arrogantly given that God knows and waits?
- How does knowing that even Jesus' strength came from, and was dependant on, His father help us to stop trying to prevail in our own strength?
- Can you think of other places in the Old Testament where God works life from death to point us forward to Jesus' resurrection?
