APPLICATION QUESTIONS:

- Are there parts of your Christian life, where you began well with Gods instruction, but haven't grown to "do this even more"? (v 1)
- What are some practical ways we might help ourselves and each other keep a distance from sexual immorality?
- What does the opposite of v 11 look like and why is it; a) unloving to the church? & b) a bad witness to those outside the church?
- What would excelling in loving one another in our church look like? And what would that look like beyond our church to other gospel partners? What are some ways we could progress in both?
