- Praise God that, in King Jesus, we as Kingdom people are blessed.
- Praise King Jesus that He is coming back, and His reward is with Him.
- Pray that, as a church family, we would encourage one another with the truth that we are blessed – especially when we don't feel it.
- Pray particularly for those experiencing persecution because they belong to Jesus, that they would be glad and rejoice.

### **APPLICATION QUESTIONS**

1. In what ways can we sometimes feel that following Jesus isn't the best or most blessed life we could be living? Which parts of Jesus' list don't seem very "blessed" to us?
2. What are the present blessings of belonging to King Jesus?
3. Jesus assures us of the future blessings that belong to Christians: "for they will...". Take some time to read Revelation 20-22, where these full, final, and forever blessings are again guaranteed to us.
4. How can we remember and remind one another of the present blessings of belonging to King Jesus? How might reflecting on these truths shape the way we face our current struggles?
