PRAYER POINTS

- Pray that God would continue to strip away anything false about our christianity and instead work in our hearts to produce what is truly pleasing to him.
- Please pray for Jack:
 - That the Lord would bless and refresh him through his time in the UK.
 - That as Jack returns to Thailand the Lord would help him to disciple those recently saved
 - That the Lord would continue to open doors for Jack and the gospel in Thailand and that there would be much good fruit.

APPLICATION QUESTIONS

1. How should the truth that Jesus' kingdom is unseen change how we live for him?
2. Think about good deeds you perform in public, such as at church. How are you tempted to do them for the praise of men?
3. How will our prayers be different if we are asking our Father for his name to be honoured and his kingdom to come?
4. How does the promise of the Father's reward motivate you to serve God in ways that are unseen?
