### APPLICATION QUESTIONS

- 1) How, as a church, can we join in the worship of the Lamb week by week? (Have a look at Romans 12).
- 2) Look again at Revelation 5:9-10. The Lamb's blood has purchased people from every tribe. How does this encourage us as we look to engage in the spread of the gospel around the world?
- 3) How might we encourage each other with this vision of Jesus on the throne when life seems chaotic or discouraging?
- 4) What about how we live as individuals and as a church fails to convey the worthiness of Jesus?
