PRAYER POINTS

- Praise King Jesus, who defeated sin, Satan, and death, and won us a people, a place, and God's presence for ever.
- Confess where we trust our own plans and strength, and ask God to help us depend on him like David did.
- Pray for confidence to follow the King wherever he leads, and for the weary and suffering to know they are more than conquerors in Christ.

APPLICATION QUESTIONS

- 1) When is it hardest for you to follow Jesus with confidence, and what fear is usually underneath it?
- 2) David stopped and asked God before every battle, even the ones he thought he understood. Where are you running on your own plans without bringing God in?
- 3) Following the King cost David's men years in the wilderness before they shared his triumph. What does following Jesus cost you right now, and what keeps you going?
- 4) What does it mean that we are "more than conquerors" in Christ? How might we use that truth to encourage a struggling brother or sister?
