

PRAYER POINTS

- Praise God that in Christ his glory has come, and peace with God has been made.
- Ask God to make us bold builders who work without fear, trusting he is with us.
- Pray for the Spirit to raise dead hearts to life in Hawick, naming people you long to see saved.
- Pray for those who have built at HBC for many years, that they would not grow weary in the day of small things.

3. What "small thing" could you do to build up God's house at HBC this week?
4. When kingdom work feels pointless, how does God's promise to glorify his house change things?
