

PRAYER POINTS

- Praise the God of sovereign grace for His promised salvation, now accomplished in Christ.
- Praise God for the promises made to us in Jesus, and pray in confidence that God would fulfil them in and through us.
- Praise God for blessing our church with young families. Take time to pray for our parents by name and for God's saving work in the young hearts of their children.
- According to His promise to bless and build His church, pray that Christ would bless and build HBC.

APPLICATION QUESTIONS

1. David is given a very unique role in God's plan of salvation. What role has God given to those who trust in David's Son (Jesus Christ) today? (Both individually as believers and collectively as the church).
2. As you think of those roles, what promises has God made to His church in this age? If these things are promised by God, have courage (v27) to pray "do as you have promised" (v25).
3. David models trust in God's word, but he also looks a lot like Jesus, the one who responded to all that God said about Him in humble faith. Think through the ways in which Jesus acknowledged the scale of God's plan for Him and responded in faith to what God had promised.
