NOTES

PRAYER POINTS

- Praise God for His sovereign reign over everything and for the good purposes He works in all things.
- Pray that we would be assured in all circumstances that the Lord is on the side of His Anointed.
- Pray for our church and the church around the world, that we would live by faith and not by sight.
- Pray for our Pastors in Training – for Dan as he submits his Master's thesis this Wednesday after two years of work, and for Kyle and his family as they settle into their new home before he begins his training on the 12th of October.

APPLICATION QUESTIONS

1. In which seasons are we most likely to think everything is going against Jesus and His people? What should we do in such seasons and what does God do to lift our heads in these times?
 2. Can you think of other times when, in surprising ways, God has been sovereignly working out His good purposes through bad circumstances? (Think of Old & New Testament/Church history/ personal examples).
 3. How should knowing the Lord is on our side (if we are on Christ's) change how we approach the challenges of life in a hostile world?
 4. Knowing that He is on our side, where might you have opportunities under God's sovereign hand to use cunning, courage or even catering to serve the cause of Christ this week?
