PRAYER POINTS

- Praise God for the apparently foolish and weak message of our Humble King, which is the wisdom and power of God.
- Pray that, as a church, we wouldn't look to our own strength or size (even as we grow), but instead look to the Lord.
- Pray that we would have confidence in God to use the small and weak things that we are and do.
- Pray that we would continue to see God mightily at work to save through the ministry of our church. Pray especially for those who have had contact with our church so far this term.
